The Eyrie Vineyards

NOT JUST ANOTHER WINE CLUB

In 1966, David & Diana Lett planted the first Pinot noir vines in the Willamette Valley, and began producing wines which have earned an international reputation for quality. Join The Eyrie Vineyards Wine Club for access to wines from Eyrie's remarkable library, as well as limited bottlings and special-edition wines created by David and second-generation winemaker Jason Lett.

WHAT OTHER WINERY CAN OFFER THIS MUCH HISTORY IN A BOTTLE?
